Headline:
Sunshine and showers, these heavy and thundery at times.

Today:
A day of sunshine and showers, with some heavier downpours possible and the chance of hail and thunder. Breezy at times but pleasant enough in the sunshine. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers gradually fading through the evening until only isolated ones along the coast remain overnight. Feeling chilly under prolonged clear intervals but more scattered cloud developing in the early hours. Minimum temperature 5 deg C (41 deg F).

Tuesday:
Following a chilly start, a dry and fine day on Tuesday. Some early brightness before cloud builds through the day and a moderate breeze develops. Feeling milder than Monday. Maximum temperature 16 deg C (61 deg F).

Outlook for Wednesday to Friday:
Largely dry and cloudy on Wednesday and Thursday but there is the risk of patchy rain at times. More widely wet on Friday. Rather mild throughout and windy at times.
